Attention: Beverly A. Monroe

Dear Beverly,

Finnish Patent Application No. 87 5673
Your Ref: PM 1267
Our File: 29136

I enclose a translation of an official action issued in this case. The term for reply will expire on 15th May 1990.

Both the references were cited in your own U.S. information disclosure, and I presume that you will have copies. A copy of the front page of each is enclosed to assist in identification.

If these documents have been relied upon by the U.S. Examiner, your U.S. response may contain valuable material useful in Finland. In any event, we shall need a discussion of the references and suggestions for amendment if this seems desirable.

Yours sincerely,

J. H. Bass
